BLOOMFIELD BRIEF NOTES.

A supposed incendiary fire broke out
Monday night in an old barn belonging to
the Essex Paper Mill. The fire was ex-
tinguished by Excelsior Hose Company
No. 3.

The members of Pierson Post drum
corps had a gay time at Elizabeth, Mon-
day night. They were accompanied by
a quartet of the rooms of Progress
Lodge K. and L. of H. L. Newark.

First assistant engineer of the Bloom-
field fire department, T. Howell Johnson,
and Miss Helen E. Freeman, daughter of
T. Freeman, were married on the 10th
last in the First Presbyterian church.

Mr. William C. Carl was the solo or-
ganist at the organ opening, at Woodside
Reformed church, (Newark) on Wednes-
day evening of this week.

The annual election of officers of
Excelsior Hose Company No. 1, took place
on Saturday night. W. B. Corby was re-
elected foreman. W. A. Akers assistant
foreman, William Baldwin treasurer, Max
Kocher secretary, Charles Lockwood,
Edwin Ward, Theodore Cadmus trustees,
W. A. Akers, Neil Cadmus and Wesley
Lockwood were elected an auditing com-
mittee.

The following have been elected to
fill the official positions connected with
management of Excelsior Hose Com. any.
William R. Rawson president, Joseph R.
Bittner vice-president, Fred Floras treas-
urer, Charles A. Brady secretary, Peter
Forrest foreman, and James Cockfair
assistant foreman.

A sad drowning accident occurred in
the Montgomery neighborhood last Fri-
day evening. Johnnie Swadlow, the six
year old son of Mr. George Swadlow of
Harrison street, while playing along the
bank of the canal near the E. Harrison
street bridge, fell in and was drowned.
Immediate efforts were made to recover
the body. On Sunday the water was run
out of the canal and the body was found
where he had fallen in. The funeral took
place on Tuesday afternoon.

Lodges and Societies.

At the recent fair held under the
auspices of the order of Knights of Pyth-
ias of Essex County, the booth erected by
the members of Excelsior Lodge of Bloom-
field, was admitted by all to contain as
fine a display of articles as there was to
be seen in the fair. The ladies in charge
of this booth were Mrs. John Jenkins,
Mrs. Chas. Clark, Mrs. Joseph Mitchell,
and the Misses Mary Jenkins, Louisa
Crisp, Mamie Crisp and Jennie Brooks.
Among the most prominent articles exhib-
ited in this department was a handsome
silk suit, the handwork of the ladies, a
new home sewing machine secured at the
sale of Mr. James Crisp and a handsome
gold-mounted carriage whip, presented
by Mr. George W. Way. Happily these
articles were all secured by Bloomfield
gentlemen. Mr. Edward Sherwood will
doubtless find additional comfort in his
slippers by having the beautiful
silk suit spread over him. Mr. George
Sater will realize that a sewing machine
will be an indispensable article when he
considers housekeeping, and no gentleman
in his will make better use of the hand-
some carriage whip than Mr. R. N. Dodd.

Bloomfield Council No. 35, O. A. F.,
held their regular meeting Wednesday
evening at the house of Excelsior Hose Co. No. 3.
A burial fund was established. An invita-
tion was received to attend the organiza-
tion of Centennial Council No. 100, in
Newark Thursday evening. The next
meeting of Bloomfield Council will take
place Dec. 14, at the house of Active Hose
Co. No. 2.

Cane Presentation.

Paul Kearny Council No. 35, N. P. U.,
held their regular meeting on last Mon-
day evening at their rooms in the K. of H.
Hall. The meeting was well attended,
President Clark presiding. After routine
business had been transacted citizen
lectures and in a few well chosen
words presented to President Clark, on be-
half of this presentation committee, a
gold-headed cane. President Clark then,
on behalf of the Council, after telling the
story of the work of one of the citizens of
the N. P. U. in aiding to the members of
the Council presented the cane to Citizen
Frank Gals, Jr. who accepted it with
many a blush and a few appropriate words.
He said he would be proud to have the
cane as a reminder of the work of the
laborers of Citizen Gals. It is pretty
generally understood that when Brother
Gals retires that a certain resident of
Bloomfield or vicinity would be de-
sirable as a member of his Council, nothing
that such person may do or say can avail, and
only the veto of Surgeon Van Gieson can
prevent his initiation.

The Election.

Beautiful weather, earnest work, and a
good-natured feeling one toward another,
were prominent features of election day.
A large vote was polled, although the
Republicans, if they had felt it necessary,
might have brought out a hundred or more
reserved votes. All parties are satisfied
with the result, it being an irrevocable
rule of political etiquette that the minor-
ity shall gracefully submit to the will of
the majority. The Republicans have cause
for being especially jubilant, for it was a
clear demonstration that that party can
go into a campaign independent of all
"isms" and "isms" and win. The large
majority given to Assemblyman elect
Thomas McGowan is highly complimentary
to our township, manifesting as it does,
the confidence reposed in our ability to
furnish first-class men to fill the public
offices.

A little matter to which a great deal
more prominence was given than the oc-
casion called for, was the haters' vote.
This was represented as cutting a great
figure. The facts about that vote are
these. In the first place a very large part
of it is cast in Newark and Orange, the
men being non-residents here. Secondly,
a large part of that vote is democratic and
always was democratic. The prohibition-
ists have no considerable hold on it. All
the strength developed by the labor party
chiefly came from the same source. Sub-
tract all these and the Republicans can be
credited with the balance.

The new ballot boxes are reported as
working well, no difficulties being experi-
enced.

Y. M. C. A. Lecture.

A large audience assembled in Dodd's
Hall on Friday evening the 4th inst., the
occasion being the first in the course of
lectures and entertainments being held
under the auspices of the Y. M. C. A.
The lecturer of the evening, Col. L. W.
Copeland, was introduced to the audience
by Mr. J. W. Stewart, chairman of the
lecture committee. The title of the sub-
ject chosen was "Snobs and Snobbery," in
which the follies and foibles prevalent in
modern society were vividly portrayed.
The speaker began his remarks by tracing
the origin and rise of snobbery, which he
illustrated as being due to caste. The
glaring inconsistencies discernible in the
social conduct of Americans when com-
pared with the theory of equality set forth
in the Declaration of Independence, fur-

broad tires go free. A new village ordinance of Medina makes it an offence for a load
weighing over 3500 pounds to be drawn upon any macadamized, paved or improved
street on a wagon with tires less than four inches in width. The penalty of violation
is \$25. It would greatly benefit country roads if more broad tires were used, and if
the width between the wheels on different vehicles were not so uniform as at present."
